Dear General:

Greetings from Chicago and the Recruiting Service.

From time to time some of my old contacts from the Middle East days of 1942 and 1943 locate me and make certain inquiries. I find the inclosed copy of a letter, written to me from Paris on the 19th of May, 1951, extremely interesting because the area of which he writes is so vital at the present time.

I am taking the liberty of sending this to you in the hope it will be of some interest to you. If it is, I shall be most happy to forward to you the name and the address of the writer, whose information given to me during those years was graded A-1.

On the other hand, the copy of the letter can be destroyed and the matter forgotten.

I continue to hope that your health improves and before long you will spend your time in the way you used to relate to me in Frankfort.

My kindest regards to Mrs. Smith.

Sincerely,

Red.

HENRY I. SZYMANSKI
Colonel, Infantry
